The snow is melting!

What a wondrous time is Spring when all the trees are budding...

The birds begin to sing, the flowers start their

blooming...And there's a lot going on at Let's Create! We just had a fantastic Used Craft Sale! If you missed it, we'll do it again in the Fall! Even tho' yard work is beginning, there's a calendar full of fun classes...AND we are getting ready to STOMP! What's that you ask? Keep Reading!

The Sayner Stampede

will be postponed to May 2020...

However, instead of the Stampede with many vendors, we're having a one stop **STOMP** with just Let's Create!

I do say that lightly because we will have many things to participate in during the 4 DAYS...Yes, 4 days of fun classes, a Round Robin, Make-N-Takes, Craft Sale, Door prizes, all happening right here!

Plus you'll be able to shop the whole store, not just our little booth! We will be checking with local hotels and restaurants for

discount coupons because we will STOMP all weekend!

Beginning Fri., May 3rd, Sat. 4th, SUN. 5th, AND Mon. 6th!! Watch Facebook, our website, and/or stop in for more updates.

Call your friends, then mark your calendars to spend the weekend with us!

It's almost time to STOMP!

Can't wait!

Card Class with Franki

isn't cheesy, but will make you wine for more! Only \$15.

Kits can also be ordered!

Knitting Classes

The Wonderful

Wallaby sweater by Carol Anderson is a knit version of the comfy hooded sweatshirt we all know and love. **The Striped Cowl** is another option. Knit completely in the round on a 16" circular needle, the cowl forms a tube that will be joined together at the end. You will learn and use a jogless join to create clean stripes with no obvious join.

Traditional or Ballet

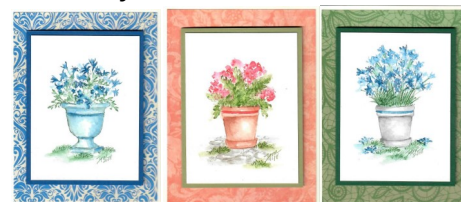

Slippers are an option if you are interested in a smaller project. You will need to talk with Jane prior to class about the yarn you will need for these projects!

Watercolor I Class

If you haven't taken this class yet, you'll want to be sure to get signed up!...and it is the pre-requisite for any other Watercolor class!

Only \$20 for the class...

Watercolor II Class

Watercolor #I is the pre-requisite for this class... stop in to see the new cards! Only \$20. Kits are not available because you wouldn't learn anything that way!
