Welcome 2019!

Baby, it's cold outside...so c'mon in and get toasty by the fire and take a class or two! Ha! Just checking if you're paying attention...we don't have a fire going, but if you're frozen, we do give warm hugs here!

Are you ready for a colorful, creative, crafty and crazy New Year? Oops, sorry...the crazy is reserved for me! (Kel)

We are looking forward to spending some time with you in 2019 and we hope you enjoyed a wonderful Christmas Celebration!

Woodworking

is a fun class to paint and/or decoupage wooden pieces, ie., "HOME" or do two of the seasonal "O's" or create a seasonal frame including inserts (add'l hrs are \$10)... Frame is a separate \$20.

DIY

Create a new favorite mug! Decorate a mug with cut vinyl letters, for instance, Let's Create #My Happy Place! Only \$6...and all the materials are included for one!

Card Class with Franki

will assist you with sending warm thoughts during these ch-ch-chilly days! Just \$15.

Kits can also be ordered!

Make-N-Take Day

Franki has planned a once a week Make-N-Take Day...so check the calendar and stop in! For a small fee (\$1-\$3per card) she'll have a selection (up to 6!) of cards to make!

Scrapbooking Layout Class

Cold and snowy...that's Winter in Wisconsin! But what a great way to keep some warm memories on this 2-page layout!! Only \$15. Kits will be available for \$18-\$20.

Knitting Classes

The Learn to Purl class takes beginners from the knit stitch to the purl stitch. The project is a cup cozy in Knit 2 Purl 2 ribbing (with the option of using the same pattern to create wrist warmers). The columns of stitches will help you to see your stitches as you learn to add purls to your knitting. Be sure to bring the straight needles along from the Beginning Knitting class as they will be used in this project.

The Colorwork Cowl introduces three ways of adding colors to your knitting. Helix Stripes, Mosaic Knitting and Stranded Knitting are all used in the cowl. This project may need an additional class to fully cover all of the colorwork techniques. Students who have taken the in-the-round hat class should bring the 16" circular needle for this project. Either class is \$18.
