You asked for it, we're going to do it!

We're expanding...well,

WE'RE MOVING!

Not too far, just down the sidewalk...between Grace's and Sherwin-Williams!

No more excuses for coming back late for the afternoon class! Same great service, same great classes, just a lot more room!

Can you believe we've been open for 8 years now?!

Our Anniversary celebration will coincide with our re-grand opening in October!

Watch for details!

Our last event at the current location will be the Used Craft Sale,

then we will be in the moving process the week after and officially be in the new space beginning Tues., Sept. 17th!

Used Craft Sale

is coming quick...September 6 -7th! There isn't any cost to participate and your sales are fully returned to you in the form of a gift certificate... now you can begin fulfilling your wish list! This is a great way to clear out items that you are no longer using and we will sell them for you! Stop in soon to get all the details and to register to receive your seller number.

Knitting Class

Most students will be working on their current projects and getting help with any questions or problems they may have. A new project option is a reversible cabled scarf. There will be three cable options and the sample in the photo is the basic cable.

If students are starting a new project, they should be sure to contact Jane if they need any supplies before the day of class so that she can be sure to have them with her!
