We are welcoming Spring with open arms...

and a budding schedule!

We hope you'll check your calendar and join us for a class or two! We've all been anxious for the change of season and the refreshment that Spring offers...new growth, pretty colors, and of course, warmer temps! And you know what that means...Franki can break out the flip flops! Yay!

The Sayner Stampede is just around the corner!

This is a fun girls getaway in the Northwoods, the first weekend in May. (It's also opening weekend for fishing!) On Friday the 4th, there will be the Used Stamp Sale, classes and a Round Robin (we'll be there!) in the evening. Sat morning, May 5th, the Used Stamp Sale continues and the stamp convention with make-n-takes goes from 9-4. And, there is an additional (and different) Round Robin for Sat. night for all of you that just can't get enough! Put these dates on your calendar now to plan for a fun weekend..stop in for more details!

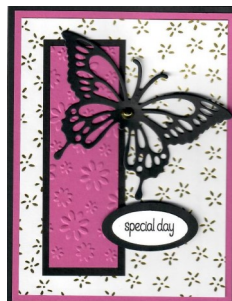

The store will be open regular hours!

Card Class with Franki

will help you be prepared for any Spring occasion...come, relax, and join us for some fun girl time...call a friend! Just \$15.

Kits can also be ordered!

Mom can be changed to Friend!

Knitting Class

Your gift list will be growing because you'll love making this beautiful hand-knit scarf! Jane, from Knitwise Yarns, will be here teaching and sharing how to make a garter based lace scarf. The pattern uses basic increases and decreases to create an impressive cabled lace pattern...and because it is knit on both sides, it will naturally lay flat!

Only \$18.

The Used Craft Sale

is creeping up soon! Friday, April 13th, 12-7 and Saturday, April 14th, 10-3 should already be marked on your calendar!

Hopefully you've been going through your crafty items and getting organized these past few months...now will you come and take care of my stuff?!

If you haven't been busy... it's not too late to join us and we will make this work for you!

You do the pricing, we'll do the selling! You will receive store credit for whatever you sell and there's no cost to sign up. Any type of craft items that you are no longer using are welcome, so that you can get some new fun things to play with!

DIY

We will provide all that you need to create a fun Spring jewelry set & matching gift tin using metal washers and alcohol inks! We will walk you through step by step! A fun project that may blossom into more and more!

Only \$20.
