Happy Holidays!!! I cannot believe it is already the end of 2024. With the end of year we are excited to announce some changes to Let's Create. If you have visited the store in the last couple of months you have already heard, but I will be semi-retiring at the beginning of 2025. Cari Luedtke is buying the business and will continue to keep Let's Create going forward. But, don't worry, I am not going anywhere. I will still be a big part of the store and the design team. You can't get rid of me that easily! With that said, we will be closed periodically to complete inventory and transition the business end of things. Thank you so much for your understanding during this time.

We still have a fun-filled month of projects and classes just for you! Finish up your Christmas cards and gifts or get a jump start for next year. Read on to see what we have planned for December.

Can't wait to see you!!

Hugs, Franki & The Let's Create Team
