Create & Shop

Create & Shop is an event that connects different crafting stores from around the entire state of Wisconsin. There will be make-n-takes, discounts, prizes and oh so much fun! There is a Facebook group called [Create & Shop in Wisconsin](https://www.facebook.com/groups/509603780878910) (<https://www.facebook.com/groups/509603780878910>). Join this group to see who's participating and then pack up some friends and get on the road. This goes on for the entire month of October so there is plenty of time to visit us all. See you soon!

Used Craft Sale

Bring your previously loved crafting items to the store and we will sell them for you. We are doing things a bit different. You will have the option for in-store credit (at 90% of your sales) or cash-out (at 75% of your sales). You will need a vendor number, please call the store if you don't have one. All items must be packaged with the price tag in an baggie that we can remove. See an associate or our [website](#) for more details. It's a great way to let go of the items you don't use, making room for all the new fun stuff you need!!

Card Class \$25

In this class we will make a master board using sprays, inks, paint, stamps and stencils. When done, we'll cut that up and make three cards. We're even going to watercolor with the inkpads. This technique and is fun and is another way you can use ink. Because of the techniques used, kits are not available.
