Hello Friends,

I hope everyone has been keeping warm by crafting during this brutal cold spell. It has to be over soon, right?!? We have been working hard at the store and have some fun classes planned for our shortest month.

The Technique Workshop will focus on Art Journal pages this year. For February, we will learn all about Zentangle, the meditative doodling art. Drawing skills are not required for this technique (trust me, I can't draw a straight line).

We also have a brand new Fast & Easy class that is very springy...let's face it, we are all over this winter crud! In Card Class we will do three fancy fold cards...always so fun! And, Transparency class is the same as January, so if you missed out then, you still have time to join us. Check out our calendar and give us a call.

Make sure you check out our calendar page (click [here](#)) to see our line-up of events for the 2026 year. Lots of fun coming your way.

We can't wait to see everyone this month!!

Cheers, Cari & the Let's Create Team
